I am **Andrea Jarach**, editor of the **Welcome Magazines**, periodicals that we have been publishing for 12 years for international visitors in some of the most important cities for tourism in Italy.

Welcome back to Milan!

As you can see in the following pages, the Welcome Magazine offers useful information **about events, shopping, food and wine**, everything that can interest the visitor answering the question: "what can I do, **what can I discover during my stay?**". Our aim is to create memorable experiences of the visit, also by linking together the different opportunities offered by the area. Our mission is to provide **essential tourist information** for the benefit of visitors who choose wonderful Italy as their destination.

We too have renewed ourselves in recent years, especially with the new carbon-free distribution method that you are probably using now as you read us; thanks to **QR codes**, we can reach the whole world without using paper and avoiding physical transport by road. We have therefore decided as of last months to extend our coverage (information and distribution) to the entire **Lombardy region**.

As you know, Lombardy is also mountains and lakes: don't miss the opportunity to visit the lakes by taking advantage of the train+lake navigation offer.

And now **great news** for all of you who love shopping and have a non-EU passport: from 1 October, **MILAN Welcome Magazine becomes a partner of Global Blue**, the leading service company for obtaining **tax refunds**. Keep an eye on our pages and our website [www.welcomemagazine.it](http://www.welcomemagazine.it) to enjoy the important benefits offered by Global Blue.

## DUOMO 1

Among one of the most important Gothic buildings in the world, the church constructed over a period of 450 years is the symbol of Milan. To experience the Duomo at its most majestic you must ascend to the roof.

## GALLERIA VITTORIO EMANUELE II 2

Sometimes known as "the living-room of the Milanese", this elegant, four-storey arcade, housing luxury cafés and famous designer shops, is covered by a glass barrel vault and a beautiful glass cupola.

## CASTELLO SFORZESCO 3

The ancient seat of the ruling Visconti, it was later rebuilt by Francesco Sforza and is now simply known by the Milanese as "Il Castello". It houses a number of interesting museums

and libraries. Its park is a favourite with old and young alike.

## CENACOLO VINCIANO 4

One of the most famous attractions in the world, "The Last Supper" by Leonardo da Vinci is a 15th century large mural painting representing the scene of the last supper of Jesus narrated in the Gospel. This fragile masterpiece was painted by Leonardo using a technique that was chemically imperfect and by the early 16th century it has started to flake and decay, resulting in numerous restorations.

## PALAZZO REALE 5

Formerly the residence of all those who governed Milan, from Napoleon to the Royal House of Savoy, the Royal Palace is currently

one of the most important cultural centres in the city, hosting exhibitions of international renown. Near the Duomo, it's the perfect place to escape the crowds of the Duomo's square.

## PIAZZA SCALA 6

The perfect location for the Gallerie d'Italia Museum and the opera house Teatro alla Scala. In the center of the square is the monument dedicated to Leonardo da Vinci.

## MONTENAPOLEONE DISTRICT 7

Milan is known as one of the shopping capitals of the world and via Montenapoleone, together with the Golden Quad, is entirely given over to luxury shopping. Here the most important fashion designers offer their creations.

## BRERA DISTRICT 8

This is an artsy neighbourhood which really comes to life at night. The Pinacoteca di Brera is one of the most important museums in Milan. Its permanent collections offer a wealth of exceptionally good Italian and foreign masterpieces.

## AMBROSIANA 9

The Picture Gallery contains several exquisite works of art from the 15th through 17th centuries. The Biblioteca Federiciana has on show Leonardo's Codex Atlanticus. The Pinacoteca is exhibiting the preparatory Cartoon for The 'School of Athens', one of the best-known paintings by Raphael.

## NAVIGLI 10

The Navigli are artificial canals built 800 years

ago to ferry people and merchandise to Milan. This network was perfected in 1457 by Leonardo da Vinci. Today, the area is bursting with trendy dining and nightlife spots.

## SAN SIRO STADIUM 11

With a capacity of 80,000 seats, it is the largest stadium in Italy and the 4th in Europe.

## SANT'AMBROGIO 12

One of the most ancient churches in Milan, it was built in 379-386 A.D., in an area where martyrs had been buried.

## PORTA NUOVA DISTRICT 13

A vibrant, futuristic district overlooking two neighbourhoods: the Garibaldi and Isola districts. The heart of the area is the large

raised square dedicated to architect and designer Gae Aulenti. Just a little further on you will encounter the Bosco Verticale with the new Biblioteca degli Alberi.

## TRIENNALE MILANO 14

Since 1923 this is an international institution which organises exhibitions and events about arts, designs, architecture, fashion, cinema, photography and theatre. The Store offers visitors the widest assortment of novelty of the leading Italian and foreign publishing about architecture, design, fashion, and visual arts.

## CIMITERO MONUMENTALE 15

A real outdoor museum catering, on the one hand to the whims of the elite of Milan's society, and on the other to works of art by famous sculptors of various eras.

# DISCOVER AND ENJOY

## ◀ ALICE, MAGICAL FAIRY TALE ATMOSPHERE

**SHOW** In the show "Alice" created by **Moses Pendleton of Momix**, the audience is taken on a magical, mysterious and eccentric journey.

The famous character of the little girl born of Lewis Carroll's imagination relives her adventures down the rabbit hole to discover a **surreal world** where the human body is transformed and nothing is what it appears. The White Rabbit, the Mad Hatter and the relentless Queen of Hearts are some of the cast of characters who move surprisingly between **dance and acrobatics**, light and shadow.

Wonderful optical effects in a spectacular stage will **involve the audience** in the magical fairy tale atmosphere.

## "ADD SOME MUSIC TO YOUR LIFE!"

**CONCERT** This year the **Auditorium di Milano** presents itself as a place to breathe life and culture, not just music: a bridge to the sciences, the arts, cultures near and far, to contemporaneity and history. Starting with the first appointment of the Symphonic Season **"Pictures of an Exhibition"** (until 2 October), sound impressions by Mussorgsky inspired by Hartmann's drawings, together with two big names on the international scene: Stanislav Kochanovsky and Sergey Khachatryan. A "sound" explanation of the law of relativity is on show on 1 October, as part of **"Symphonies in Space and Time"**, in a journey from Bach to Schoenberg's dodecaphony. And again, **"The Emperor"**, with Beethoven's Piano Concerto No. 5, conducted by Joel Sandelson with Roberto Cominati at the piano, and **"Music and Words"**, on Friday 14 and Sunday 16 October, a marvellous journey into the

fascinating world of German poetry with the Lied cycle Des Knaben Wunderhorn, set to music by Mahler, with Ian Bostridge and Michele Mariotti. It is around a transversal figure between the classical and clubbing worlds that **"Petruska"** is developed, a programme exploring a composition by Gabriel Prokofiev. But it doesn't end there. October is the month of the debut of the **"Concerti Ristretti"** (Sunday 23 October), an hour of music to approach the wonderful world of the classical repertoire, as well as the 150th anniversary of the Alpini national corps (15 October) and a great classic of the Orchestra Sinfonica di Milano: **Giuseppe Verdi's "Requiem"** (27-28-30 October) with Conductor Emeritus Claus Peter Flor.

# WELCOME TO LOMBARDY

The Lombardy region is **one of the richest in attractions in Italy**. The area, between Switzerland and Emilia-Romagna, Veneto and Piedmont, offers countless **destinations for day trips** from Milan.

In addition to **Milan**, there are **11 main cities** that preserve traces of centuries of art and culture - Bergamo, Brescia, Como, Cremona, Lecco, Mantua, Monza and Brianza, Pavia, Sondrio and Varese - and hundreds of smaller villages with **art, history and traditions**. But Lombardy also has some unmissable natural beauty, such as the vast Po Valley, the parks and the Pre-Alps with the five largest lakes: Garda, Maggiore, Como, Iseo, Lugano and Ceresio.

With its **10 Unesco Sites**, as well as **3 intangible heritages** including the lutherie art of Cremona, Lombardy is the Italian region with the largest number of such sites: Valle Camonica's Rock Art, Santa Maria delle Grazie and the Cenacolo Vinciano, the Workers' Village of Crespi d'Adda, the Sacred Mountains of Piedmont and Lombardy, the Rhaetian Railway between Tirano and Saint Moritz, Mantua and Sabbioneta, Monte San

Giorgio, the prehistoric pile-dwelling sites in the Alps, the Lombard monuments and the city walls of Bergamo.

For those who love **panoramic places**, a trip to Monte **Isola** is a must, with its breathtaking view of Lake Iseo; to the **Sacro Monte of Varese** with a view over the

plain from the Alps to the Apennines; the **Brunate cable car** with an absolute view of Lake Como; the ascent to the **Torrazzo of Cremona**, the highest masonry tower in Europe; the **Terrazza del Brivido** in Tremosine overlooking Lake Garda at a height of 350 metres.

>> Taking a train trip to Lombardy's cities of art is the ideal way to rediscover, in a comfortable and sustainable way, the beauty of our region's towns, visiting exhibitions, museums and monuments. [www.trenord.it/giteintreno/citta-darte](http://www.trenord.it/giteintreno/citta-darte)

◀ Two cities within a city, **Bergamo** ("Alta" and "Bassa") is linked by two funicular railways. Five kilometres of walls surround domes, towers and palaces, including the **Accademia Carrara**, the Piazza Vecchia, with its Civic Tower and the Palazzo del Podestà, the "perfect" square also loved by the architect Le Corbusier. Bergamo is also the birthplace of the **composer Gaetano Donizetti**, to whom the city dedicates a major opera festival every year. *(50 km from Milan)*

► **Brescia** presents itself in its Renaissance guise with its marvellous salon squares, an embattled castle, two cathedrals, a theatre created as a tribute to Napoleon Bonaparte and the **Museum of Santa Giulia**, a Unesco World Heritage Site. The famous **1000 Miglia** race has been held here every year since 1927, and in September the world's best-loved **Opera Festival** takes place here, transforming the entire city into a magical open-air theatre. *(95 km from Milan)*

▼ In a natural setting of rare beauty lies the city of **Lecco**, where Alessandro Manzoni set his masterpiece "I Promessi Sposi" (The Betrothed), and where there are monuments in **baroque and neoclassical style**. The Lecco branch of Lake Como is characterised by the S. Martino and Barro mountains, the Resegone and the Grigne. ◀ **Como** is the city of water, light and silk, rich in history and culture. The **Volta Temple** is a small Pantheon on the banks of the Lario, built in memory of the physicist Alessandro Volta. Strolling within the medieval walls, among alleyways and old shops, the late **Gothic Cathedral** and the imposing **Broletto** from 1215 stand out. A dynamic and entrepreneurial town. *(50 km from Milan)*

► **Lodi** is a small Lombard town in the **lower Po Valley**, rich in art and history with many green areas. Places to visit include the **neoclassical Palazzo Broletto**, the 15th-century Palazzo Vistarini, the Basilica della Vergine Assunta, a Romanesque cathedral, and the Tempio Civico dell'Incoronata, a masterpiece of the Lombard Renaissance in the style of Bramante. *(38 km from Milan)*

◀ **Mantua**, the tranquil and elegant city of the Gonzagas, is **surrounded on three sides by water** from which you can enjoy a fascinating city skyline. Sung about for its beauty by famous writers such as Virgil, Baudelaire and Dickens, the city is told through its many monuments, including the Rotonda di San Lorenzo, **Palazzo Te**, Palazzo Ducale and the Duomo. *(185 km from Milan)*

► Over the course of history, the Romans, the Lombards and the Habsburg and Napoleonic dominations have passed through **Monza**, leaving precious legacies such as the **Villa Reale**, a sumptuous neoclassical palace with its famous park around it, of enormous historical, natural and artistic value, one of the largest in Europe. Every year Monza is ready to host the **Formula 1 Grand Prix** in September. *(18 km from Milan)*

◀ **Pavia**, in the heart of the Lombardy plain, is home to one of the **oldest universities** in the world. Rich in art and nature, it preserves evidence of its culture in the **Castello Visconteo**. Of considerable historical and religious interest are **San Pietro in Ciel d'Oro**, where the remains of Saint Augustine are kept, and the Basilicas of San Teodoro and San Michele Maggiore. Don't miss a walk on the romantic **Ponte Vecchio**, which connects the historical centre with the picturesque Borgo Ticino district. *(45 km from Milan)*

▼ **Sondrio** is a town of Lombard origin in the heart of the **Valtellina**. The historical centre is characterised by stone houses and houses with wooden galleries typical of the most beautiful **mountain towns**. The precious architecture of the **Torre Ligariana** and the historic buildings is remarkable. A stop at a crotto or a **typical restaurant** is a must in the area to savour the typical cuisine based on pizzoccheri and Sassella or Inferno wine. *(135 km from Milan)*

▼ **Varese**, also known as a "**garden city**", enjoys a wealth of landscape, architecture and art that have been appreciated since the last century, when the city became a **holiday destination** with its prestigious Art Nouveau villas and hotels. An unmissable destination for contemporary art lovers is the 18th-century **Villa Panza** with its unique collection. *(58 km from Milan)*

# LAKE SIDE DESTINATIONS

*Lying North of Milan, each year the lakes of Lombardy attract millions of visitors thanks to their mild climate, breathtaking scenery, natural beauties and historic and artistic treasures. Don't miss a day at the lake with Trenord with special all inclusive train+boat tickets!*

The shores of **Lake Maggiore** wash up on the banks of Piedmont and Lombardy in Italy, while its more austere northern basin lies in the mountainous region of Switzerland. The most famous island, lying just off **Stresa** – a small, elegant town, rich in neoclassic and liberty buildings and a shopping mecca boasting a myriad of boutiques – is **Isola Bella**, anchored like a fantastic ship-garden and dominated by the majestic Palazzo Borromeo, built in the 17th century and rich in art treasures, including the private collection of Milan's most famous aristocratic family. The Borromeo clan also owned **Rocca di Angera**, an imposing fortress (12th-17th century) boasting opulent ambiances, of which the most famous is the Sala di Giustizia. The "Rocca" also has a medieval garden ([www.isoleborromeo.it](http://www.isoleborromeo.it)).

**Lake Como** is the romantic and worldly older sister of Maggiore and Garda and takes its name from the city of Como. "Must-visit" sights include the Gothic **Duomo**, the Romanic basilicas of San Fedele and Sant'Abbondio and the neoclassic **Villa Olmo**. Nestling on the banks of Lake Como in Lenno and currently owned by FAI – a private non-profit trust – **Villa del Balbianello** is a magnificent example of a perfectly preserved 18th century dwelling. Surrounded by a stunning, terraced panoramic garden, with a breathtaking view of the lake, the Villa is one of the area's most romantic retreats. Standing on the tip of a promontory overlooking the waters of the lake, the Villa was chosen by director George Lucas as one of the evocative settings for the famous "Star Wars"

Lying just a stone's throw northwest of Como is **Cernobbio**, a small fashionable resort frequented by the wealthy of Europe because of its deluxe hotel **Villa d'Este** and **Villa Erba** where director Luchino Visconti spent his childhood ([www.villaerba.it](http://www.villaerba.it)). Continuing North, we find Isola Comacina a jewel of art and nature, rich in Mediterranean vegetation and one of the most important archaeological sites of the dark ages in Northern Italy. In nearby Tremezzo, don't miss a visit to the Baroque-style **Villa Carlotta**, featuring an Italian garden and sculptures by Canova. At the junction of the southern arm of the lake lies **Bellagio**, also referred to as the pearl of Como, set in a

strategic position to soak up the panorama.

Don't miss a visit to the other lakes that are also easily accessible from Milan. These include **Lake Lugano**, where the enchanting towns of Morcote, Melide and Lugano offer many cultural attractions and charming itineraries; **Lake Iseo**, a gem of rare beauty nestled between the provinces of Bergamo and Brescia; **Lake Garda** attracting millions of visitors every year thanks to its mild climate, its old-fashioned atmosphere and its breathtaking scenery, including scenic roads along the coast, Renaissance villas, Romanesque hamlets and small villages.

Milan's historic centre is contained within a relatively small area which is now mostly closed to traffic, meaning that it's **easy to explore on foot**. By walking just a few steps from the **Cathedral**, in a north-westerly direction, you'll reach the Castello Sforzesco, another of the city's most symbolic monuments. ## Tax Free Refund Guide

According to the Italian law, non-EU resident travellers may be granted VAT relief/refund for goods intended for personal or family use purchased in Italy. This relief is surely **an advantage for the foreign travellers**: in fact, it allows to save from a minimum of 4% up to a maximum of 22% of the selling price of the goods purchased. Here is a **short guide** according to the **Italian legislation** to discover the common system of value added **tax exclusively for non-EU resident travellers**.

1. VAT (in Italian: IVA) is a **value added tax** on goods and services, and is part of the European Union's value added tax system.
2. In some cases, travellers may be granted a **VAT refund**. This refund does not cover the services supplied by hotels, restaurants, taxis or agencies.
3. You may be eligible for a VAT refund provided that:
  - you are a **non-EU resident**;
  - the goods purchased are intended **for personal or family use** only and are carried in your luggage;
  - the overall value of the goods purchased exceeds **154,94 Euro** (VAT included);
  - the purchase is certified by an **invoice**. This invoice should include a description of the goods purchased, your personal information as well as the details of your passport or any other equivalent document;

- the goods shall leave the EU territory by the **third month** following the date of issue of the invoice, as proved by the **"customs stamp"**;
- from 1 September 2018, tax free invoices in Italy must be electronically transmitted by the national seller to OTELO information system (**Online Tax Refund at Exit: Light Lane Optimization**) and their validation is digitally carried out.
- after the digital "customs stamp" is obtained, OTELO will send a message to the retailer that all the requirements are met and, as a consequence, the retailer will reimburse the amount due or will settle the tax relief.
- the invoice is **returned to the Italian retailer** within four months after the purchase was made. If the invoice is stamped by other EU countries, it needs to be brought to the shop retailer by the fourth month following that of the purchase.
- 4. The goods purchased and the relevant invoice must be **shown at the customs** exit point when leaving EU territory (if you intend to pack the purchased items into your check-in luggage, you must go to Customs **BEFORE checking in**).
- 5. After leaving EU territory, the traveller must return the original invoice, regularly endorsed by the customs office, to the Italian retailer. Said invoice must be returned within four months from the date when the

document was issued.

6. The refund can be made **directly by the Italian retailer** (however, make sure that the shop you've chosen displays a "Tax Free Shopping" or "Euro Tax Free" sign in its window).
7. Several **Tax-Free companies are able to offer immediate VAT cash refunds** when the goods leave either Italian or EU territory (thus exonerating the passenger from having to return the invoice to the retailer). However, this procedure only applies at major international airports or main border crossings. **Most major department stores have Tax Free Refund offices**.
8. The services provided by Tax-Free companies imply the payment of a small administrative sum which is **directly deducted** from the amount of VAT refunded to the traveller.
9. In the event of a traveller not receiving a VAT refund within a reasonable period of time, he or she should re-contact the Italian retailer or one of the aforementioned companies.
10. However, please note, VAT cannot be refunded directly by customs offices.

## Milanese tasting

Milan offers a cuisine featuring a number of truly unusual flavours. Here is a brief guide to make sure that you don't miss out on several of the city's best and most typical recipes.

### RISOTTO ALLO ZAFFERANO

This is one of the few dishes boasting a specific "birth date". In fact, legend has it that, on 8 September 1574, master glassmaker Valerio di Fiandra was presented with a dish of **saffron-coloured rice** at his daughter's wedding feast after which time it became an iconic dish of Milanese cuisine. Master Chef Gualtiero Marchesi has transformed this delicacy into a real work of art, with the addition of a square of edible gold leaf! We also suggest trying its crunchier version: so-called "riso al salto". Try the creative dishes signed by Carlo Cracco at his restaurant in Galleria Vittorio Emanuele ([www.ristorantecracco.it](http://www.ristorantecracco.it))

### COTOLETTA ALLA MILANESE

Mentioned for the first time in 1500 at the court of the Sforza, its "invention" was a source of contention with the Viennese who laid claim to its origin. According to the traditional recipe, the **veal slices** used should be at least as thick as a finger, **coated in egg and bread** crumbs and deep fried in butter. One of the best places to eat breaded veal cutlets in Milan is at "Da Giannino" ([www.gianninoristorante.it](http://www.gianninoristorante.it)) or at the "Al Garghet" restaurant ([www.algarghet.it](http://www.algarghet.it)).

### TRIPE (OR BUSECCA)

A hearty winter dish that will keep the cold out, its main ingredient is the **stomach lining of sheep or cows**. It was originally served to celebrate special occasions in the peasant world. Try the fried variant on the menu of the eponymous trattoria Trippa Milano, on Via Giorgio Vasari 3 ([www.trippamilano.it](http://www.trippamilano.it)).

### CASSOEULA

According to the history books, composer and conductor Arturo Toscanini was mad about this dish made from **pork** (sausages, pork rinds and spare ribs) and **cabbage**. For a taste of old-world Milan, suggest you try it at "Antica Trattoria della Pesa" in Via Pasubio ([www.anticatrattoriadellapesa.com](http://www.anticatrattoriadellapesa.com)).

### MONDEGHILI

Small **meat balls** fried in butter and oil and a signature dish of renowned chef Bruno Barbieri who has made them an art form. You can taste the traditional Milanese meat balls at "Al Matarel" ([www.almatarel.it](http://www.almatarel.it)).

### PANETTONE

Boasting 500 years of tradition, panettone is a type of large, **sweet bread**, leavened very slowly and enriched with **raisins and candied fruit**. Amidst history and legend, the theories as to the origins of panettone vary widely. One of the most romantic is the story linking

its invention to Ugo, a young falconer employed by Prince Ludovico il Moro. Ugo yearned to conquer the heart of the daughter of a poor baker named Toni. To win her over, the nobleman disguised himself as a baker and invented a rich bread in which he added to the flour and yeast, butter, eggs, dried raisins and candied lemon and orange peel. The fame of the bread spread far and wide and became known as "**Pan del Toni**" (Toni's bread). According to history, the tradition of panettone is documented by a manuscript conserved at the Biblioteca Ambrosiana dating back to the 15th century. Already at that time, on the night

of 24 December, it was customary for the pater familias to place a huge log in the fireplace and to slice the large loaf of bread which he then distributed among those present. From a gastronomic point of view, the distinguishing feature of panettone is that it is **leavened two or three times**. Its golden colour derives from the skilful combination of butter and egg yolks, while its overall beauty is completed by the orange, green and brown notes resulting from the addition of candied fruit and raisins. The gourmet trick is to warm it for a few minutes in front of an open oven or on top of a radiator before serving it.

» Dulcis in fundo, you can try Milan's traditional Tiramisù (although the main ingredient of the classic recipe includes coffee, there are also other variations on the theme) and Profiteroles, mouth watering chocolate coated puffs filled with custard. There are also a number of other typical delicacies that are prepared during the holiday season including Colomba (at Easter) and Chiacchiere and Frittelle (at Carnival) and panettone (at Christmas).

## Particolare, bistrot with garden

In the choice of name, the **Particolare Milano** restaurant reveals its identity: a Milanese location in the **Porta Romana area** that aims to be a welcoming point for those who want to go out but feel at home, who want a cocktail but perhaps also dinner, who come for an after-work aperitif and find themselves in a **garden hidden away in the city**. The atmosphere is "particular", with colour combinations, furnishings studied down to the smallest detail and little references to the last century. A place designed for the city of Milan, which also offers a well-kept and intimate **double outdoor space**, where one can enjoy the cuisine **both in summer and winter**. Leading the kitchen brigade is chef **Andrea Cutillo**, who shares a passion for catering with maître and sommelier **Luca Beretta**. Their cuisine can be described as **traditional Mediterranean**, with a creative and **contemporary twist**.

Adorning the walls of the café will be Hard Rock's **iconic collection**: from the King of Pop **Michael Jackson** with his gold jacket custom-made for him by Dennis Tompkins and Michael Bush, to **Madonna's underwear**, worn by the Queen of Pop during her 1987 "Who's That Girl" World Tour and also featured in her Ciao Italia! video. Also on display on the walls are **Cher's lace bra**, along with the beautiful lime green velvet jacket, made especially for **Elton John** by legendary designer Stephen Sprouse. Finally, guests can admire the glittering red strapless swimming costume worn by **Rihanna** in Maroon 5's ultra-glam 2008 video 'If I Never See Your Face Again', alongside those of **Italian rock stars** such as Ligabue, Lacuna Coil, Negramaro and many others.

>> Via Dante, 5. T: 02 58124970

Landing in Milan at the beginning of July, after **Rome, Florence, Venice** and **Verona**, Hard Rock Cafe offers one of the largest and richest menus in the brand's history. From the **Legendary Burger** to other iconic dishes such as Wings, Classic Nachos, Sliders to appetisers including Famous Fajitas and Tupelo Chicken Tender. The **Cafe**, on two levels and with two stages for **live music**, seats 250. At the entrance, guests can visit the **Rock Shop** with music-inspired products and collectibles typical of the brand.

## Milan is the home of the Aperitivo

**Aperitivo and Happy Hour in the city are most definitely a ritual which no Milanese is prepared to forego**

The Aperitivo, the beloved Milanese tradition of pre-dinner drinks, is accompanied by complimentary "stuzzichini" and an all-you-can-eat buffet. Spreads range from traditional olives, nuts, cheeses and potato chips to awesome pasta dishes, "bruschetta", cold cuts, crudités, raw fish and fruit salads. Generally, lasting **for 3 hours from 6 to 9pm** (though most people rarely get there until 7pm), the aperitivo scene has become an **evening meeting** for people of all ages. Cocktails – alcoholic or not – are expertly mixed and a Negroni, Negroni sbagliato (a delicious mix of prosecco, red vermouth and Aperol instead of gin) or a Spritz are **Milanese specialties**. Favourite beverages consumed during this beloved tradition in Milan include also the city's renowned Martini, Prosecco or Campari, accompanied by an all-you-can-eat buffet.

### TYPES OF VENUES

A myriad of venues, ranging from the smallest bars to larger, uberchic locations situated in the heart of the city, organize this event. There are 3 types of venues: **design bars, traditional bars** (the places that have written Milan's history) and, the latest trend, all **luxury hotel bars**.

### WHERE TO GO

There are endless aperitivo options. Several of the most famous are situated in **Piazza Sempione** or **Corso Como** and

offer a stretch of great bars with a glam vibe where, if you're lucky, you might run into a famous super-model or footballer. Others also worth note, featuring a more laid-back atmosphere, can be found in **Brera** or the **Navigli** area. A sign of a popular place are crowds of young people spilling out onto the streets with a drink in one hand and a plate in the other. Unlike other countries, the Milanese are quite happy to stop at one drink, so things rarely get out of hand. A fabulous idea to relax at the end of a long day and the perfect opportunity to enjoy a fabulous cocktail paired with **good food at affordable prices**.

### AFTER THE APERITIVO...

In fact, during aperitivo hour, people start thinking about **where to go for dinner**, in a city boasting a highly eclectic offer. There are **three main areas** dedicated to nighttime entertainment featuring a concentration of venues:  
 • **Navigli District**: an area characterized by places offering live music, patronized by artists, models, musicians and university students. Must-try options are its boat bars and the area's old osterie where you can sample an array

of wines, cold cuts and typical cheeses.  
 • **Brera District**: an historic area boasting a warren of characteristic venues offering live music and, believe it or not, fortunetellers who are happy to predict your future for a small fee...  
 • **Garibaldi district & Corso Como**: this is Milan's most fashionable area by night, where not only will you find a bevy of pizzeria, restaurants, pubs and discotheques, but also possibly chance upon showbiz celebs and sports heroes.

### INSIDER TIPS

Drink prices range from about 7-10 euros although several of the more luxe, upmarket places might ask as much as 15 euros. **Not only will you be paying for a more lavish buffet but it will probably also serve as your ticket to VIP and celeb watching.** Milan is the capital of cocktail hour snacking and practically ever bar and club in the city offers some kind of happy hour, competing to offer the most alluring pre-dinner scene in town.
